

CAMP CARDINAL KIDS COLLEGE 2015 AYERS CAMPUS

1st - 6th Grade

CAMP DATES: MAY 26 - JULY 24

Lights, Cameras, Action

Week 1 June 1-4

Week 2 June 8-11

Enjoy a week of working with others while writing movie scripts, designing costumes, and making props that will set the stage for your very own skit. On show day, parents will be invited to enjoy the works of all the students. All skits will be filmed for each student to enjoy their movie memories from Camp Cardinal Kids College 2015!

Mad Scientist

Week 3 June 15-18

Week 4 June 22-25

Science is all around us! Come and enjoy learning about our world through hands on experiments that you will work on throughout the week. Be prepared to have fun while learning about the great big world of science! Let Kids College 2015 bring out the "Mad Scientist" in YOU!

"Oh The Places You'll Go" (Dr. Seuss)

Week 5 July 13-16

Week 6 July 20-23

Students will explore several intriguing famous cities in the state of Alabama. Their travels will take them to Mobile, where they will experience fun, crafty ideas about the Mardi Gras celebration and Huntsville, where they will explore the science of space travel. These activities are designed to motivate students to improve their math, reading, science and teamwork skills, as well as improve problem solving skills to complete their projects. Books, handouts, and information stations will be used to help with critical thinking skills and team work.
