Dear Colleague,

We are pleased to invite you to join us for a high school counselor meeting in your area. The meeting will include brief slide presentations describing each of our institutions and will also provide up-to-date information about selection practices, financial aid opportunities, and other issues related to selective college admissions.

We will be in your area during the week of September 28th. The enclosed list details our itinerary for the week; please choose the most convenient location for you to attend. We ask that you make a reservation for the meeting at the website listed below. You will need to type this website into your web browser, since it is not a direct link from any of our school websites. Please feel free to extend this invitation to additional counselors from your staff – just be sure to make a reservation for them too, before the morning of the event (and please be sure to let us know if your plans change and you are unable to attend.)

We have also enclosed a flier listing the information sessions we will host in your area for prospective students and their parents. We hope that you will post it in a prominent place at your school. We are currently inviting students on our mailing lists but would be pleased if you would notify qualified seniors who may be considering one of our universities.

We hope to see you in a few weeks, and you have our best wishes as you begin your new school year.

Sincerely,

The Duke, Georgetown, Harvard, Penn and Stanford Admissions Staffs
