An Alabama public high school senior will be eligible to receive the *Alabama School Transportation Association (ASTA) Conference Greg Ray Memorial Education Scholarship*. The Scholarship is named for Greg Ray, who passed away in October 2015. In his long career of service, Greg served as a shop foreman for the Baldwin County Schools, Inspection Program Supervisor for the Alabama State Department of Education, and finally Fleet Manager for the Mobile County Schools. He also chaired the Alabama School Bus Specifications Committee for many years and is noted for starting the Alabama's Best Technician/Inspector Competition for the Alabama School Transportation Association. This scholarship is being provided by Transportation South in Pelham, Alabama, in honor and memory of Greg's notable service to the public schools of Alabama.

The scholarship is a one-time, \$2,000 education scholarship awarded to a deserving public school student whose parent or guardian is an active pupil transportation employee for the past three years. A student qualifies by graduating from a public high school and then attending a postsecondary education institution in 2018-2019. Eligible students must have a cumulative 3.0 GPA and are selected based on their leadership, citizenship, and service. The \$2,000 scholarship can be used for any part of the student's 2018-2019 school year tuition, books, or fees.

Each school system will select a local winner and submit the winning application to the State ASTA Selection Committee no later than April 27, 2018. Please be reminded that only **one** application from each school system or district will be judged at the state level. If multiple applications are submitted by your school system, then all applications submitted will be disqualified. The finalist will be notified no later than May 31, 2018.

The enclosed scholarship documents provide additional information about the scholarship, including parent and student qualifications, the application form, required supporting documentation, and the selection process to determine deserving students.
