What experiences have you had that would help you be a great school mascot?

My signature below indicates that I understand, as Gadsden State mascot, I will be required to appear and perform at numerous events both on-campus and off-campus in costume. I release Gadsden State and mascot sponsor(s) from responsibility should injury result from the audition for mascot. I understand that the privilege of being mascot indicates that I must be a student in good standing (2.2 GPA minimum), and I give permission for the mascot sponsors to have access to my academic records as necessary.
