

Parent Project is offering two different times and locations to register for our next 10 week session!

PARENT PROJECT

Family Links, Inc.

A **ten week course** for parents of strong willed or "out of control" children and adolescents. The course is also designed to help parents become proactive before the "difficult" years. Parents are taught prevention, identification, and intervention strategies. Other services are offered in addition to this program: Individual and group counseling with full support from the Calhoun County Sheriff's Department. Childcare is available while class is in session.

The Tuesday 6-9 p.m. class will begin September 9, 2014 and run until graduation on November 15, 2014.

The Saturday 9- 12 p.m. class will begin September 13, 2014 and run until graduation on November 15, 2014.
